RE: USSN 008013 filed 31 January 79
Entitled Smoking Compositions of Houminer and Sanders
PM 828 D&O 78-22

Dear George:

Enclosed is a copy of the Search Report originating in the European Patent Office. Four of the five references cited were not cited in our corresponding U.S. application. Since the search report distinctly points out the relevant parts of each reference, I think it would be advisable to submit a communication to the USPTO with copies of the references.

I would appreciate it if you would prepare an appropriate statement and submit it at your earliest convenience. If you have any comments or questions regarding the references, please give me a call.

Sincerely,

Susan A. Hutcheson
